Evangelical Christian Academy Mission Statement

“Evangelical Christian Academy exists to partner with parents and their church to educate, equip, and empower its students to pursue their purpose in Christ.”

Evangelical Christian Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities made available to students of the school. It does not discriminate on the basis of race, color, national and ethnic origin in the administration of its educational policies, admissions policies, or any other school-administered programs.

Parent/Legal Guardian Statement

In making application for my child to attend Evangelical Christian Academy:

- I agree to support the spiritual, moral, dress, and disciplinary standards of the school as outlined in the Parent-Student and Athletic Handbook.
- I have read ECA's Mission Statement and desire to have this type of education for my child.
- I am willing for my child to receive training in the historic doctrines of the Church and I support the school in its endeavor to encourage and guide my child in applying those doctrines to life.

If my student is accepted:

- I agree to assume the responsibility for my student's education by supervising homework and keeping in regular contact with my student's teachers.
- I agree to support ECA, to the best of my ability, through attendance and participation in various school activities.
- I agree to support, to the best of my ability, the school's entire program through prayer, time, and financial gifts. I understand that the school depends upon gifts above and beyond the tuition and thus conducts community fundraising, and that the school expects participation by all parents.
- Further, in the event my child become ill or is injured while under school supervision, I approve the school authorities to take the following steps:
 - Contact a parent of the student and follow his/her instruction.
 - Contact the student's physician and follow his/her instructions, in the event neither parent can be reached.
 - Use their own discretion in contacting a properly licensed physician and following his/her instructions, in the event neither the parents nor the student's physician can be reached.

If in the opinion of a properly licensed and practicing physician, my child needs medical or surgical services which require my consent before being supplied and I cannot be reached, I hereby authorize, appoint, and empower the Superintendent or his/her designee to furnish on my behalf such written or oral authorization as may be so required. Further, I release Evangelical Christian Academy, Village Seven Presbyterian Church and Grace Presbyterian Church from any liability which might arise from the giving of such authorization, it being my desire that my child be furnished with such medical or surgical services as soon as reasonably possible after the need arises.

- I give permission for my child to take part in all school activities, including sports and school-sponsored trips away from the school premises and I absolve Evangelical Christian Academy, Grace Presbyterian Church, and Village Seven Presbyterian Church from liability to me or my child because of any injury to my child at school or during any school activity.
- I understand that this application cannot be considered without the application fee and that, if my student is accepted, I agree to the payment and/or refund policies as listed in the school's fee schedule and tuition policy.
- I understand that, if I voluntarily withdraw my student or my student is dismissed once classes have begun, I am responsible to pay the full tuition to the end of the semester according to the schedule in the current tuition policy. Records cannot be forwarded to another school until all financial obligations have been satisfied.
- I understand that Evangelical Christian Academy reserves the right to refuse any application, or dismiss any student, at any time, for unacceptable work or conduct, or any other reason it deems necessary. Neither this application nor payment of fees is considered binding upon Evangelical Christian Academy.
- If legal action is required to collect tuition, I, the undersigned, will be responsible to pay reasonable attorney's fees.

My signature below indicates that I have read, understand, and agree with the above.

Evangelical Christian Academy Doctrinal Statement

The doctrine of this Academy shall be that biblical system commonly called the "Reformed Faith" as expressed in the *Westminster Confession of Faith* together with the *Larger and Shorter Catechisms* as containing the system of doctrine taught in Holy Scriptures.

A. The following points are irreducible essentials of Scripture to which a parent or guardian must subscribe without equivocation:

1. That the Holy Spirit did so inspire, guide and move the writers of Holy Scripture as to keep the original writings free from all error; that the existing manuscripts and translations, excepting radically liberal versions, are so free from later corruptions as to be properly regarded as the supreme and final authority in faith and life.
2. That there is one God existing in three persons: Father, Son and Holy Spirit, co-equal and co-eternal.
3. That man was created in the image of God; that he sinned and thereby incurred not only physical death, but also spiritual death which is separation from God; and that all human beings are born with a sinful nature and in the eyes of God, are sinners in thought, word and deed and consequently are unable to save themselves.
4. That Jesus Christ, although being the eternal Son of God, was begotten by the Holy Spirit and born of the Virgin Mary and is thus true God and true Man.
5. That the miracles performed by our Lord Jesus Christ were a demonstration of His power, love and deity.
6. That the Lord Jesus Christ died for our sins, according to the Scriptures, as our substitute to satisfy divine justice, and that all who receive Him by faith and express repentance of their sins are justified on the basis of His shed blood.
7. That on the third day after His crucifixion, God the Father raised our Lord Jesus Christ bodily from the dead; He subsequently ascended into heaven, and there sits at the right hand of the Father, making intercession for the saints.
8. That our Lord Jesus Christ will return bodily to this world.
9. That there shall be a future day of resurrection in which both the redeemed and the damned shall be raised from the dead: the redeemed to enjoy the estate of eternal blessedness, and the damned to suffer eternal retribution.
10. That the chief end of man is to glorify God and enjoy Him forever.
11. That eternal life is a free gift that is received through faith in Jesus Christ alone. Eternal life is neither deserved by anyone, nor can it be earned by good deeds.

B. With regard to the education of our children, we hold the following to be true:

1. That parents are responsible for the education of their children, bringing them up in the nurture and admonition of the Lord.
2. That members of the Body of Christ have an obligation and a covenant responsibility for the education of all children within the covenant family.
3. That it is imperative that all education reveals God for the proper intellectual and moral development of children.

In view of the above, Evangelical Christian Academy shall admit only students of parents who give evidence of regeneration, who affirm this doctrinal statement, and who manifest the desire to be educated both morally and intellectually in the light of the Bible with Jesus Christ as the center of all truth.

To the Church

This student is seeking admission to Evangelical Christian Academy, a co-educational Christian school in Colorado Springs, Colorado. The mission of the school is to assist families in providing a Christ-centered education of high academic quality so that the students may be prepared to take an active, vital place in the home, the church, the state, and in their future vocations by applying Christian principles in a biblical manner that is glorifying to God. The inherent features of a Christian school require that all students be of good character and be able to live agreeably with their peers. It is also essential that the environment and training provided by the school be an extension and reinforcement of what is taught in the home, receiving complete support from the student's family.

We would appreciate your observations about the areas listed below. Please use a question mark where you have insufficient evidence on which to make a judgment.
