

Dear Prospective Parent and Student,

Thank you for requesting information about Evangelical Christian Academy (ECA). Our school's purpose is to assist parents in providing a Christ-centered education of high academic quality so that the pupils may be prepared to take an active, vital place in the home, the church, the state, and in their future vocations by applying Christian principles in a Biblical manner that is glorifying to God.

Our campus includes 7th through 12th grades, and our school day is 8:00 a.m. to 2:45 p.m.

Our curriculum, procedures, programs, and facilities undergo an ongoing, intensive evaluation in order to maintain the highest standards possible, and we are very proud of what we have accomplished over the course of our thirty-three year history. Please call 719-597-3675 to schedule a tour. During the summer, the office is open Monday through Thursday from 9 a.m. to 1 p.m.

Thank you for expressing your interest in ECA. I hope the enclosed information will answer your questions. I pray that God will give you wisdom in this important decision that you will be making—the education of your child.
