

Dear ECA Parents,

As we come to school each day, we marvel at what a blessing it is to be at ECA. We see God's love and grace poured out in the classrooms, in interactions, and in smiles and words of encouragement from you. We pray you are blessed to be here also.

The Bible is taught as the foundation of all knowledge; we start with God first and then add everything else. We excel in academics (see our SAT scores on the Elementary button), but additionally, we are able to minister to the whole child.

Our goals for ECA continue to be:

- To feed and nurture your child's spiritual heart.
- To provide the very best academic education for your child.
- To provide staff professional education, from which your child will benefit.
- To honor and glorify our Lord.

We strive daily to be the best we can be. In 2001, we received a seven year accreditation term from Association of Christian Schools International, and are due for renewal. In preparation for re-accreditation, our staff is reviewing and updating the Curriculum Guides, the Scope and Sequence in each subject, and ECA's Self Study. We know from experience that it is a tremendous amount of work because ACSI's standards are so high, but the benefits are great! We are a better school today, because of the work done in 2001.

Please feel free to get in touch with me if you have any questions about the ministry of ECA.

In Christ,

Pam Firks  
Elementary Principal
