

VOLUME 15 – ISSUE 10
YEAR-END, 2010
EAGLE'S VIEW MONTHLY

The *Eagle's View Monthly* is your primary means of receiving information, forms, and updates on school activities and events and is issued monthly during the school year. You may request a copy be sent home each month, pick up a copy at any school office, or visit www.ecaeagles.org/information/eaglesview at your convenience. Help us help you be informed!

...we will tell the next generation the praiseworthy deeds of the Lord, His power, and the wonders He has done. *Psalm 78:4*

Reflections – ECA 2009-10

What a year! I am certainly thankful for what God is doing here at ECA. As I think back upon this school year, I am pleased to be associated with what He is doing in our midst.

Successes – *“I can do all things through Christ who strengthens me.” Philippians 4:13*

Thank God for the many blessings that He has brought to us!

On May 28, 32 ECA graduates will walk out of our doors and into the next phase of their lives.

We pray that they are closer to God than ever before – yet ever growing.

The ACSI Accreditation process has been completed, but let us not forget what we've learned.

The first year of our accelerated “classical” influence is now complete.

Let us continue to foster *truth* – in knowledge, in reason, and in persuasion.

Challenges – *“...Thou art with me, Thy rod and Thy staff, they comfort me.” Psalm 23:4b-5*

There are mountains before us that we must climb, but the Spirit of the Lord shall stand beside us to comfort, strengthen, and guide us.

In its efforts to provide an affordable Christian and classical education, ECA seems to always be plus or minus 1% of its budget plan.

May God provide the resources!

In a time when schools are closing or shrinking, God has grown our enrollment as of late.

Would reaching 385 students with our educational process please God?

I pray that He will use all of us (students, parents, and staff) to draw new students here.

The economic crunch has caused Grace Presbyterian Church (our Elementary sponsor) to restructure.

May God grant us stability in our new facility arrangement.

Short-Comings – *“For all have sinned and fall short of the glory of God.” Romans 3:23*

We are a school comprised of people who, while we may have a strong belief, are still being sanctified (drawn closer to God) day-by-day.

Often our familiarity with long-standing students and families causes us to appear to be aloof when it comes to the acceptance of newcomers.

May God spur us on to new heights of acceptance and hospitality.

Close relationships often become strained.

May we learn about and practice God's ultimate peace so that we might express it here at ECA and well beyond these walls.

Being still relatively small in size, ECA doesn't have the array of programs, services, and facilities to accommodate every child's special needs.

May our care and concern for God's people still shine through!

The Future – *“The mind of man plans his way, but the LORD directs his steps.” Proverbs 16:9*

The Board, administrators, teachers, and parents of ECA seek to move forward to see that this school is one in which God will be pleased. Let us move in sync with His will!

Father, will you provide exactly what is needed to prepare our teachers and students to “pursue their purpose in Christ?”

Jesus, in our plans, may Your plans prevail!

Spirit, help us guide each child to a place of total reliance and dependence upon You.

Praying God's blessing on our school,
Jim Johnson, Superintendent

Host Families Needed!

There are international students who wish to attend ECA but need a host family. The host family receives a \$600/month room-and-board stipend, and the student pays for tuition and incidentals. Host families must speak English, provide transportation to and from school and activities, provide an American-type experience, and care about the student's welfare. The students go home for summer (the host family commits to 10 months at a time) and often Christmas. The host-family application includes a background check. For more info, please contact **Mrs. Sandy Graham** at 531-6464 or skerpy@msn.com.

Give thanks to the LORD, call on His name; make known among the nations what He has done.

SUMMER 2010 MATH ENRICHMENT

It is time to keep math skills sharp! Information can also be accessed on my website:

<http://teachersites.schoolworld.com/webpages/kleidecker/>

- 1) Complete any eight online CHAPTER TESTS with a minimum of 75% from the subject you had this year.
- 2) Email the CHAPTER Test results to Mrs. Karen Leidecker and earn one free "Homework Pass for the First Quarter" and one "Drop the Lowest Quiz Grade for First Quarter" for next year's class.
- 3) The email address is kleidecker@ecaeagles.org.
- 4) Print off a copy in case the email does not go through.

If there is a concept that you have forgotten in the chapter, work through the lesson's "Extra Examples" and/or "Parent and Student Study Guides" under "Lesson Resources." The advantage of the latter is there are problems for you to try with the answers given on the bottom. Only one chapter test from each chapter can be counted, although you may retake the test several times.

Have a great summer!!!
