

ECA Elementary Happenings

March
2015

Grandparents' Day is March 6th at 9:30. This a time where we can honor our Grandparents and thank them for the wonderful legacy they are establishing for us.

Classroom Happenings:

Pre-K: The kids will be creating a paper quilt for the letter "Q" as well as starting a unit on safety.

Kindergarten: Queen Esther is the focus in Bible and a library field trip is on the docket for March.

1st: Flat Stanley is making his way back to ECA! 1st graders have been tracking his travels around the U.S.

2nd: What matters? Solid, Liquid or Gas. Flubber will be made and played with in class.

3rd: A fun Space Experience Day is on 3rd grade's calendar to close out the Solar System unit in science.

4th: Students are not only learning the capitals of all 50 states, but the postal codes too!

5th: Artist Reports, Artist Reports and more Artist Reports! This is one of 5th grade's BIG writing projects for the year.

6th: Developing rhetoric skills using the debate between creation and evolution.

P.E: Floor Hockey and soccer are the name of the game for this month. Rounding out the month with Hula Hoops!

Computer: Having a difficult time navigating or creating a PowerPoint presentation? Ask a 4th grader! They are wrapping up a unit on PowerPoint this month.

All Students: Easter verses are being memorized to present in our Easter Chapel-April 1st

Chapel Speakers

- March 4—6th grade Class Chapel
- March 11—PK thru 5th grade Grandparents' Day Chapel (for students)
- March 18— Mr. Jamie Doyle from Radiant Church

Classical Connection

The elementary staff has just completed studying, discussing and learning how to apply The Seven Laws of Teaching by John Milton Gregory.
