TerraNova Testing for students in grades 1, 3 and 5
- April 13 thru April 17

Classroom Happenings:

Pre-K: What a better way to introduce the letter "V" than to paint with vegetables. The students are learning how to "Rejoice in the LORD always."

Kindergarten: Spring is in the air and Kindergarteners are looking at what happens to seeds once they are planted.

1st: Lions and tigers and bears, oh my! 1st grade is having fun classifying animals. Are they wild or tame?

2nd: Father, Son and Holy Spirit are the talk in 2nd grade. Students will study the Trinity during Bible this month.

3rd: Since the start of school, 3rd graders have had the opportunity to sponsor a Compassion child. A field trip is planned to visit Compassion International to see first hand the work of this amazing organization.

4th: Israel's kingdom is divided! What does this mean for the Kingdom of God? Student's will be focusing on this during the month of April.

5th: Preparing for the Volunteer Appreciation Chapel. It is a special time to say thank you to everyone who takes time to help around the school.

6th: Camp ID-RA-HA-JE is one of the highlights for 6th grade. Students grow closer to God, each other and bond with high school counselors.

Library: Children will hear stories of springtime and gardening experiences.

Music: We've got rhythm, how 'bout you?. Students will experiment with different rhythms and instruments in music.
