Thanksgiving Break—November 23 to November 27

Classroom Happenings:

Pre-K: Students will learn about the unwavering faith of Shadrach, Meshach and Abednego as they were thrown into the fiery furnace by King Nebuchadnezzar.

Kindergarten: What follows you in the light, but is invisible in the night? Your shadow!! This month students will explore shadows.

1st: Students will be having an Indian Experience day with the 3rd grade. A buffalo hunt is on the agenda along with traditional Native American activities.

2nd: Memorizing Psalm 105:1-5 and composing an original 4 verse Psalm will be the focus in 2nd grade.

3rd: 3rd graders will delve into Christopher Columbus, Pilgrims and the Mayflower Compact. They will also be participating in the Indian Experience day with 1st grade.

4th: "Samuel! Samuel! 'Speak for your servant is listening.'" The calling of Samuel will be studied during Bible this month.

5th: "Raining cats and dogs", "Fog thick as pea soup", and "Snowing like a banshee". You guessed it... 5th grade science is all about the weather.

6th: With Thanksgiving at the end of the month, 6th graders will be doing their annual service project by collecting food for Mercy's Gate.

Computer: If you need help with a PowerPoint presentation, ask a 6th grader! They are working on presentations about the planets.

P.E: With the crisp Autumn weather, football is in the air! Flag football, that is! Students are working together and encouraging one another to do their best for the Lord.

Classical Christian Corner

We teach students how to fish, only they are fishing for knowledge and feeding their minds. The pole, the line, the hook are grammar, logic and rhetoric, always with them in their tackle box as they seek wisdom, and eventually teach others.
