

Celebrate the resurrection of our Lord!

Happy
EASTER

ECA Elementary Happenings

March 2016

Grandparents' Day is March 4 at 9:30

Classroom Happenings:

Pre-K: Pre-K students will work on fine motor skills by using water droppers to create a rainbow for the letter "R".

Kindergarten: The month of March can bring some pretty crazy weather to Colorado! A very appropriate time for a science unit on weather!

1st: 1st grade will be having several different guest speakers to round out their unit on Community Helpers and how beneficial they are to our every day living.

2nd: Students will be looking into the lives of the early Colonists and the struggles and triumphs they experienced when coming to a new land.

3rd: With Easter quickly approaching one of the focal points this month will be the Road to Calvary. Resurrection rolls will be baked for a hands on lesson.

4th: Even royalty can have problems! 4th graders will realize that being a King isn't always what it is cracked up to be as they learn of King David and the struggles within his family.

5th: With the completion of biomes, 5th grade will research an artists life, write a report and create a display board to present.

6th: This is the time of year the 6th graders get permission and are encouraged to argue! They will be starting creation/evolution persuasive papers this month.

Music/Art History: Students in 2nd, 3rd and 4th grades are doing picture studies of period pieces. They are observing a work of art and journaling their impressions, thoughts and feelings about what they see.

P.E: Students are learning many different skills as floor hockey and soccer have started in P.E.

Chapel Speakers

- Mar 2—6th Grade Class Chapel
- Mar 9—Pre-K thru 5th grade Grandparents' Day Programs
- Mar 16—Easter Music and Easter Verses
- Mar 30—High School Praise Team

Latin is the mother tongue for over 50% of all English words, so the study of Latin greatly enhances one's English vocabulary.
