

ECA Elementary Happenings

April 2016

ACCS Accreditation Visit-April 19 & 20

Classroom Happenings:

Pre-K: It's that time of year when Pre-K is preparing their class chapel to present to the school. This is always a highlight of the year!

Kindergarten: Can you name all five senses? Kindergarteners are exploring God's creations by using each one of them! They will also be making a trip to MacKenzie Place to visit with elderly residents.

1st: From a shepherd boy to a King; God had amazing plans for David and during Bible, the 1st grade is focusing on his life and how God used David for great and mighty things.

2nd: The 2nd grade highlight and field trip of the year is this month. Mr. Hart's class will make their annual trek to the Denver Zoo and Casa Bonita.

3rd: With an election year upon us, students will continue the history unit on U.S. Presidents and will be moving into the process of a Presidential election.

4th: The students will be making tetrahedron kites this month. Tetra-huh? Ask any 4th grader and they will be sure to tell you all about it.

5th: The final verses of Psalm 139 are being memorized. By the end the month, students will be able to recite the entire chapter. Impressive!

6th: As the school year winds down, 6th grade moves into studying the Middle Ages and will be participating in a Medieval Banquet with turkey legs, jousting, a royal court and a court jester!

Computer: Students in 4th grade will be working on proper research techniques as they prepare a paper on one of the 50 states. 6th graders will be working on a creative project and putting together memory books.
