* Classes are offered contingent upon sufficient student interest. Not all classes listed may be offered every school year.

If no grade level is indicated, the class is open to all students in that division (High School or Junior High) provided that the student has met all prerequisite requirements.

If no designation is indicated, the course is a high school course.

Students are not permitted to take courses out of sequence without prior administrative approval.

Students who wish to register for classes with an application, audition, or invitation requirement should contact the school office for further information.

Students may drop or add classes within the first two weeks of classes only.

Revised on 8/7/19
